Complete Bylaws can be found on chicagorealtor.com

A, 3. Slating of Directors . Each May, the eleven members of the Nominating Committee (the Chair and the 10 members chosen in accordance with Section 13.2.A.2) shall meet to select a slate of candidates to serve as the non-Automatic Directors. Members desiring to apply to serve as a Director may submit an application to the Chief Executive Officer or its designee, which application shall be provided to the Nominating Committee. The Nominating Committee may not slate one of its members to serve as a Director. In slating Members to serve as Directors, the Nominating Committee shall seek to approve a slate of candidates whose election would further the policy of ensuring that all specialties and professional interests within CAR are sufficiently represented on the Board of Directors.

B. Election of Non-Automatic Directors. The Chair of the Nominating Committee shall present the Board of Directors the Nominating Committee's slate of nominated non-Automatic Directors at a meeting in June. The Board of Directors shall vote on each candidate on the slate, which vote may be taken in an omnibus fashion, and a candidate shall be elected to serve as a Director for the term to commence on October 1 of that year provided that the candidate receives a majority vote of the Board of Directors. In the event that the Board of Directors does not elect a candidate on the Nominating Committee's slate, the Board of Directors may elect by majority vote another Member that satisfies the applicable requirements in Article XII of these Bylaws.
